

Metro Roman Tile

Graceful beauty that captures the spirit & strength of the Empire.

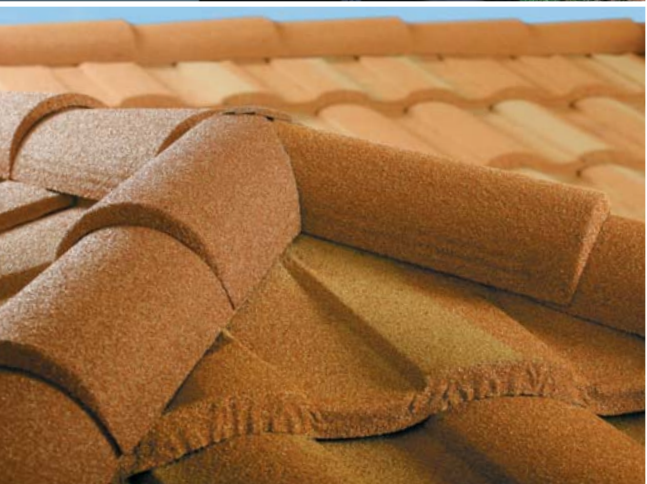

Metro Roman Tile creates the timeless look of True Mediterranean Tile without the excessive weight. At only 1.5lbs/sq. ft. it's one of the lightest roofing tiles on the market today. And with a heart of steel, coated by an advanced stone granule coating offers the best protection for your home. Its patented design allows for a secure fit to any architectural style.

Roman Tile allows you to choose the look that's right for your home and it won't curl, break or burn and is virtually maintenance free. The blending of Stone on Steel creates a tough barrier against the elements, offering long-life performance that creates the perfect protector for your home –

Metro *ROMAN* Tile.

Smart Roofs for Smart People™

A Shield against the Elements

Every panel is formed from 26-gauge *Galvalume® steel covered with 100% acrylic resin basecoat embedded with natural rock granules and a clear 100% acrylic over-glaze. Metro Roman Tile is a durable, lightweight and Long-Life roof panel that offers one of the industry's best high-wind performances today.

Roman Tile is backed by a great warranty covering, 120-mph wind and a Class-4 Hail Impact (UL 2218) Resistance Rating. Metro offers today's homeowners and builders a material that will provide years of maintenance free protection
